Further, the bidders who are technically qualified (both PQ criteria and samples) will be intimated to submit item wise rates for the items mentioned in the additional format of the tender in sealed covers. The technically qualified firms should submit the sealed covers within seven days from the date of intimation from BMTC. The sealed covers will be opened along with the commercial offer in the KPP Portal in the presence of BMTC officials present during opening of commercial offer.

Note: The lumpsum rate quoted in the KPP Portal should tally with the total sum of individual product rate and its quantity as per additional format.
